

St Catherine's College

Student Support & Services

Pastoral Care

The new Education Code 2016 was produced by New Zealand Qualifications Authority (NZQA) to provide a framework for the educational providers for the pastoral care of international students. The Education Act 1089 requires education provider to be a signatory to the Code and St Catherine's College is a signatory to the Code. For more info www.nzqa.govt.nz.

English Language Support and ESOL Tuition

English Language Support and ESOL tuition are provided by the ESOL teacher, Ms Julie Knowles. The tuition may take the form of individual tuition, small group Tuition separate from the Year level class for English or in-class other subject support.

Multicultural Club

International students are always welcome to join Multicultural Club. It is organized by student committee. They help plan and organize activities throughout the year, such as International Week or social gathering.

Sickness

Ms Janet Slater at school office helps students who are sick have a rest at Sick Bay and let Mrs Megan Kim know for support or call the Homestay to pick her up if she needs to go home.

Accidents/injuries or Incidents at school

Report to school office staff immediately or/and Mrs Megan Kim.

If accidents/injuries or incidents happened outside school at activities, report to the responsible teacher at the activities.

Extra-curricular Clubs

Join a sporting, cultural and social clubs to meet new friends and enrich your school life.

Go to school website: www.stcatherinescollege.school.nz for more information.

Library

Library is on the 1st floor of Cooluck Building. There are computers available for you to use. The user name/password will be given once school starts.

NCEA

St Catherine's College offers NCEA (the National Certificate of Educational Achievement) qualification in New Zealand which is recognized by tertiary institutions in New Zealand and internationally.

Gateways and Pathways

- St Catherine's College offers career options and pathways for Year 12 & 13 students.
- Ms Mandy Page has Gateways programme for senior students.
- Career advisor, Ms Heather Miller helps students to learn and choose their careers after college graduation. Students could take university's subjects while studying at school and students visit local universities or tertiary institutions through the year.
